

Subject Access Request Form

In accordance with ERT's data privacy and security governance program, ERT shall comply with individuals' written requests to obtain information about how one's personal data is being used and collected by ERT. Under applicable data privacy laws and regulations, you have:

- The right to know the categories of personal data that are being collected by ERT;
- The right to be informed about how your personal data are being used and collected by ERT;
- The right to know whether or not your personal data are being sold or disclosed by ERT and to whom;
- The right to access your personal data;
- The right to rectify inaccuracies of your personal data;
- The right to erase your personal data (also known as the 'right to be forgotten'), subject to applicable data retention laws and regulations;
- The right to restrict, or halt, processing/using information;
- The right to say "no" to the sale of your personal data;
- The right to data portability;
- The right to object;
- The right to not be discriminated against, on the basis of service or price, for exercising your privacy rights;
- The right to an accounting of disclosures; and
- Rights with respect to automated decision-making and profiling.

Please select which information you're inquiring about below. Select all that apply.
